

The 4th Shandong University - Kumamoto University Medical Symposium

08:30am – 15:20pm Nov 9, 2015

Lecture Hall, Room 105 of the Nursing Building, Shandong University

Participants:

Kumamoto University (KU)

1. Dr. Yasuharu Nishimura, Dean and Professor, Department of Immunogenetics, Faculty of Life Sciences, Graduate School of Medical Sciences, School of Medicine
2. Dr. Kazuya Yamagata, Vice Dean and Professor, Department of Medical Biochemistry, Faculty of Life Sciences
3. Dr. Tomohiro Sawa, Department of Microbiology, Graduate School of Medical Sciences
4. Dr. Wen-Jie Song, Department of Sensory and Cognitive Physiology, Faculty of Life Sciences
5. Dr. Nobuaki Tamamaki, Department of Morphological Neural Science, Faculty of Life Sciences
6. Dr. Takaichi Fukuda, Department of Anatomy and Neurobiology, Faculty of Life Sciences
7. Dr. Masatoshi Jinnin, Department of Dermatology and Plastic Surgery, Faculty of Life Sciences
8. Dr. Yoshifumi Baba, Department of Gastroenterological Surgery, Graduate School of Medical Science

Shandong University (SDU)

1. Dr. Beihua Kong, Executive Director, Cheeloo College of Medicine
2. Dr. Jihui Jia, Deputy Director, Cheeloo College of Medicine, Dean of School of Nursing
3. Dr. Fengshan Wang, Deputy Director, Cheeloo College of Medicine, Dean of School of Pharmacy
4. Dr. Chunhong Ma, Professor of Immunology, Vice Dean of Shandong University School of Medicine
5. Dr. Chuanyong Liu, Professor of Physiology, Vice dean of Shandong University School of Medicine
6. Dr. Lining Zhang, Professor, Director of the Department of Immunology, Shandong University School of Medicine
7. Dr. Xiangzhi Li, Prof. of Cell Biology, Shandong University School of Medicine
8. Dr. Jinpeng Sun, Professor, Vice chair of the Department of Biochemistry and Molecular Biology, Shandong University School of Medicine
9. Dr. Shuwei Liu, Professor of Anatomy, Shandong University School of Medicine
10. Dr. Qing Sun, Director of Department of Dematology, Qilu Hospital
11. Dr. Qingsi He, Director of Department of General Surgery, Qilu Hospital

Schedule:

时 间 Schedule	题 目 Title	主 讲 Presenter	主持人 Moderator
08:30-09:15	开幕式 Opening Ceremony	孔 北华 Beihua Kong 西村 泰治 Yasuharu Nishimura	王凤山 Fengshan Wang
	Introduction of Cheeloo College of Medicine, Shandong University		
	Introduction of Life Sciences, Kumamoto University		
09:15-09:40	Tim-3, the key player in liver tumor microenvironment	马 春红 Chunhong Ma	刘传勇 Chuanyong Liu
09:40-10:05	Regulation of metabolim by SIRT7	山縣和也 Kazuya Yamagata	
10:05-10:30	Study of the biased signaling of GPCR, a group of important drug targets	孙金鹏 Sun Jinpeng	
10:30-10:40	休息 Tea Break		
10:40-11:05	Adult neurogenesis in the mammalian neocortex	玉卷伸章 Nobuaki Tamamaki	张利宁 Lining Zhang
11:05-11:30	Development of the human fetal hippocampal formation during early second trimester	刘树伟 Shuwei Liu	
11:30-11:55	The cerebral cortex has another neural network as its basic structure: the dendritic reticulum linked by gap junctions	福田孝一 Takaichi Fukuda	
11:55-12:20	Possible clinical applications of microRNA in skin diseases	神人正寿 Masatoshi Jinnin	
12:20-13:00	午餐 Lunch		
13:00-13:25	Biologics for the treatment of psoriasis in china	孙青 Qing Sun	李相芝 Xiangzhi Li
13:25-13:50	Comprehensive analyses ofEpigenetic alterations in gastrointestinal cancers	馬場祥史 Yoshifumi Baba	
13:50-14:15	Esophageal acid and alkaline exposure in patients of esophagogastric junction adenocarcinoma after proximal gastrectomy or total gastrectomy	何庆泗 Qingsi He	
14:15-14:40	Oxidative stress regulation by reactive cysteine persulfides	澤智裕 Tomohiro Sawa	
14:40-15:05	Regulation of NLRP3 inflammasome activation	赵伟 Wei Zhao (Replace Jihui Jia)	
15:05-15:20	Beneficial effect of cochlear traveling wave delay for frequency integration in the Primary auditory cortex	宋文杰 Wen-Jie Song	

Kumamoto University (熊本大学), is a Japanese public university located in Kumamoto, Kumamoto prefecture in the Kyushu region of Japan. Currently, the university has seven faculties and eight graduate schools with a total of around 10,000 Japanese students and 400 international students from Asia, North America, South America, Europe, Africa, and Oceania. Shandong University has established close cooperative relationships with Kumamoto University since 2002. The medical symposium between the two universities this year is the fourth Shandong University-Kumamoto University Medical Symposium (2012 in Kumamoto; 2013 in Jinan; 2014 in Kumamoto).

Welcome!
